## In the branches with Chris Jones, Manager of Libraries

Another exciting month coming up in MidCoast Libraries with author events, workshops, special storytime activities, an exhibition of beautiful knitted items and a special livestream event of the Sydney Symphony Orchestra from the Sydney Opera House to look forward to, as well as a wide range of regular library programs and services across our library branches. We recently received a Junior Fiction book donation "The adventures of Nick and Billy" from one of our U.S. instagram followers, author Michael Hoard. It's great to know we have friends right across the other side of the world! See you in the library...
